Marc Clapés i Solé

Full-Stack Engineer

PROFESSIONAL SUMMARY

Detail-oriented Full-Stack Engineer with nearly two years of professional experience building responsive web applications. Proficient in modern frontend frameworks like Vue.js and backend technologies like NestJS, with a passion for writing clean, maintainable code.

EXPERIENCE

Junior Full-Stack Developer Oct 2023 – Present

Novatest Systems

- Developed and deployed over 12 responsive user interface components using Vue.js and Pinia, improving user interaction metrics by 10%.
- Built secure RESTful API endpoints using NestJS and MongoDB for user authentication and data management.
- Collaborated in an Agile team of 6 engineers, participating in daily standups and bi-weekly sprint planning.

EDUCATION

Bachelor's Degree in Computer Science 2019 – 2023

Universitat de Barcelona (UB)
