

Mireia Bosch

Frontend Engineer

mireia.bosch@mail-example.net · +34 682 910 234 · Barcelona, Spain

PROFESSIONAL SUMMARY

Senior frontend engineer with 8 years of experience designing and building responsive, high-performance web applications. Specialized in modern React and TypeScript ecosystems with a strong focus on web performance and accessibility.

EXPERIENCE

Senior Frontend Engineer

Jul 2021 – Present

BarnaTech Solutions

- Led the complete migration of a legacy client portal to Next.js, improving First Contentful Paint by 40%.
- Implemented WCAG 2.1 AA accessibility guidelines across core web pages, opening services to a broader demographic.
- Established custom Webpack configurations that optimized bundle sizing, saving users 1.2MB of initial transfer data.

Frontend Developer

Mar 2018 – Jun 2021

Condal Digital

- Developed and launched customer-facing dashboard features using React and Redux Toolkit.
- Designed and documented an internal UI component library, reducing overall frontend development cycles by 20%.

Web Developer

Nov 2015 – Feb 2018

PixelArt Studio

- Created responsive landing pages and customized web modules utilizing HTML, CSS, and Vanilla JavaScript.
- Tested and resolved layout irregularities across various web browsers and mobile platforms.
