Git

Swift Package Manager

Cocoapods

Agile

EXPERIENCE

iOS Developer

Oct 2021 – Present

Nectis Mobile

- Developed and launched two new consumer-facing iOS applications built entirely on SwiftUI and Combine.
- Identified and resolved severe memory leaks using Xcode Instruments, decreasing overall app memory footprint by 15%.
- Worked in a cross-functional Scrum team to quickly deliver monthly feature updates and performance patches.

Junior iOS Developer

Sep 2019 – Sep 2021

BcnTech Studio

- Maintained a legacy Objective-C app while successfully translating core feature modules into modern Swift.
- Configured secure integrations with Stripe payment processing APIs and optimized local caching policies.

EDUCATION

Bachelor in Computer Engineering

2015 – 2019

Universitat Politècnica de Catalunya (UPC)
