

Oriol Castells

Backend Engineer

oriol.castells@fakemail.dev · +34 612 345 678 · Barcelona, Spain

PROFESSIONAL SUMMARY

Senior backend engineer with over 8 years of experience designing scalable microservices. Specialized in Python and Go, with a strong background in cloud architecture and data pipeline orchestration.

EXPERIENCE

Tech Lead

Jan 2022 – Present

Novatech Solutions

- Led a team of 5 backend developers in migrating a legacy monolithic web application into a microservices architecture.
- Optimized data processing workflows using Python and Apache Kafka, reducing overall pipeline execution time by 40%.
- Mentored junior engineers and implemented standard peer-review practices to improve code quality.

Senior Backend Developer

Sep 2018 – Dec 2021

CloudVibe

- Designed and built reliable microservices in Go and Python to handle high-frequency user telemetry.
- Reduced API response latency by 35% through query optimization and caching using Redis.

Backend Developer

Oct 2015 – Aug 2018

AppCraft

- Maintained and improved core backend systems supporting over 100k active daily users.
- Migrated database infrastructure from legacy self-hosted servers to PostgreSQL on AWS RDS.

EDUCATION

Bachelor's Degree in Computer Science

Sep 2011 – Jun 2015

Universitat Politècnica de Catalunya (UPC)

SKILLS

Python · Go · PostgreSQL · Docker · Kubernetes · AWS · Redis · Apache Kafka · gRPC · Git

LANGUAGES

Catalan (Native) · Spanish (Native) · English (C1)
